

## Green and White Supporters' Club Notes

Good Afternoon Everyone,

May I take this opportunity of welcoming Officials, Players and Supporters from Welton Rovers on this our very first league match on a Sunday and trust that it will not only be a very pleasant afternoons sport but a financial benefit to both Clubs. I'm sure if this is a success this will not be the first and last football on Sunday in Yeovil.

Since I last wrote our First team have achieved what a lot of people thought was the impossible, that is one draw and two wins in three games with Hereford and I'm sure that by the time this is read we shall be in the First Round Proper of the F.A. Cup.

Our Reserve team has not done quite as well, this I think was due to injuries and having to take players for the First team. However, let's hope today will see a better result.

The "Golden Goal" Competition is now becoming very popular and more Supporters are winning. At the last home game the first prize of £49 10s. 0d. was won and also the second prize of a Stand Ticket.

Last week we told you that the Under 18 branch of the Green and White Supporters' Club had been formed and at their first Friday night "get-together" there were approximately 80 members present and I'm sure that everyone will join with me in congratulating them for the way they carried out their duties in Hut Two for the Hereford match. Well done Lads and Lasses!

I hope you enjoy the match.

R. DONOVAN, Secretary.
